

Channel Partner Scorecard (CPSC)

Monthly Scorecard Guidelines

w.e.f 1st July 2017

Dear Channel Partner,

The Channel Partner Scorecard (CPSC) is a strategic tool to help you track the performance of your dealership operations and to take effective decisions based on facts. We sincerely believe that adoption of CPSC in letter & spirit will ensure that we are able to provide a superior customer experience and with that the additional incentives to help improve the profitability of the dealership.

During this journey, we have modified this tool twice to ensure that it remains relevant to changing market dynamics and our business objectives. Now, as we move into the next phase of the CPSC program, the following changes will be effective from 1st July, 2017:

Parameters

1. As per the new TML structure, we have also aligned CPSC to four Line of Business structure – M&HCV(HCV Cargo, MCV tucks and M&HCV Const) , ILCV (ICV and LCV) , SCV (Pickups and SCV Cargo) and CV Pass (Buses, SV Pass, SCPass and PCV Venture)
2. Parameters such as TMFSL collection efficiency, TMFSL RC Book collections, Showroom basic checklist adherence, Dealer Indenting system adherence, Dealer Indenting system accuracy, Customer feedback score – dealership calling and Consumption vs Offtake metric, have been dropped.
3. Parameters related to DSM availability, DSE availability, Availability of Capitalized vehicle, Field sales activity index, DSE productivity, and Workshop basic checklist, have been modified. In addition, weightages of some of the parameters have been changed (available in CPSC reference manual)
4. Consistency of CRM pipeline, C1 to retail conversion <7 days , CRM pipeline data quality, Sales complaint closure, TOPS ordering, Number of Day's code open and Same day delivery parameters have been added

Payout

While there is no change in the CPSC payout tiers / slabs, the payout calculation methodology will be basis the below criteria:

- a) Qualifying criteria for payouts : Dealer will qualify for the monthly payouts when all the following conditions are met by the dealership:
 - Minimum dealer LOB CPSC score of 20 out of 50 in Sales
 - Minimum dealer LOB CPSC score of 20 out of 50 in Aftersales.
- b) Overall Payout Tier will be dependent on the composite score. The payout tier will be arrived at using this composite score and basis the same the payout will be calculated for each Product line.

The following example will clarify on the methodology explained above:

Dealer Name	SCV	ILCV	CV Pass	M&HCV	Average Dealer Score
ABC Dealer – Sales(50 Max)	41	38	41	46	42
ABC Dealer – After Sales (50 Max)	40	45	35	45	41
Total Dealer Score (100 Max)	81	83	76	91	83

Hence, ABC dealer lies in the Super Tier. As a result, for SCV, ILCV and CV Pass it will get Rs 3000 per offtake vehicle and for M&HCV it will get Rs 6000 per offtake vehicle.

IT Support System

We are pleased to share with you that we will be launching the new CPSC online system, which will ensure

- Single dashboard to help you track overall dealer, division wise and LOB wise performance
- Visibility of targets and actuals on daily basis, so that you can plan your activities for improvement on real time basis
- Concurrent Visibility of all the CPSC parameter reports, so that you can do root cause analysis of where your team needs to improve
- Automated Scorecard generation, reducing delays in release of scorecards and in turn release of payouts

The CPSC guidelines effective 1st July 2017 are enclosed herewith. Kindly go through the same and ensure that your teams have fully understood the metrics & measures. In addition, dealership will be fully responsible for entering and maintaining, correct data in CRMDMS as we will be using the same for the scoring against many of the parameters.

Please get in touch with the Regional SNM team in case any further clarification is required or email us on cpsc@tatamotors.com

We are confident you & your team will continue to leverage the CPSC monthly score card program and strive for superior performance & customer experience.

Warm Regards,

R Wasan

Vice President (Sales & Marketing, CVBU)

ANNEXURE – I

Policy for Test Drive Vehicles for SCV & Pickup Range

We are pleased to introduce a Test Drive Vehicle Policy for SCV & Pickup range at CVBU dealerships.

This Test Drive Vehicle Policy will be effective from 1st May 2014.

1. Models of Test Drive Vehicles

All Dealers handling SCV & Pickups need to position at least one vehicle each of the following models as Test Drive cum demonstration Vehicle -

1. Ace Zip (with LSPV)
2. Super Ace Mint.
3. Xenon Dicor Single Cabin
4. Xenon Dicor Crew Cab 4X2 or 4X4 AC
5. Ace Refresh Dicor (NA or TCIC)
6. Magic Iris (with LSPV)
7. Magic Mantra
8. Ace Mega
9. Venture BS 4 , 1.4 Ltr CRail Engine .

The model list and quantity mandate for Test Drive Vehicles will be updated from time to time as required and when new products are launched. The same will be intimated to the dealerships through proper circulars. The dealer can freeze the variant required in discussion with the Area / Regional Office. Some products mentioned above are shortly going to be introduced in the market.

2. Procurement of Test Drive Vehicles

- New Test Drive Vehicles need to be purchased from the company only & as per specified model only.
- A dealership may choose to capitalize a vehicle from its existing stock, if appropriate model is available provided date of TML invoice is less than 3 months vintage from the month of capitalization.

3. Replenishment of Test Drive Vehicles

- The Test Drive Vehicles replacement cycle will be 15 months or 18,000 km, whichever is earlier.

Annexure II

Policy for Test Drive Vehicles for CV Passenger Vehicles

We are pleased to introduce a Test Drive Vehicle Policy for CV Passenger vehicles detailed below at all concerned CVBU dealerships.

This Test Drive Vehicle Policy will be effective from 1st September 2016 and valid for vehicles purchased up till 30th June 2017.

1. Models of Test Drive Vehicles:

This policy is applicable for all variants of **Magic Mantra, Magic Closed Van BSIV (Magic Express), Venture BSIV and Winger Dicor.**

All Dealers handling CV Passenger need to capitalize at least one vehicle each as Test Drive cum demonstration Vehicle as per applicable product range.

The dealer can freeze the variant required in discussion with the Area / Regional Office.

2. Procurement of Test Drive Vehicles

- New Test Drive Vehicles need to be purchased from the company only
- A dealership may choose to capitalize a vehicle from its existing stock, if appropriate model is available provided date of TML invoice is less than 3 months' vintage from the month of capitalization.

3. Other Expenses

Other expenses towards the operation and maintenance of the Test Drive Vehicles (fuel, maintenance, insurance, registration, driver expenses etc.) need to be borne by the dealership.

4. Utilization of Test Drive Vehicles

- Vehicles deployed for Test Drives should be used for offering Test Drives for a maximum period of 15 months or 18,000 km whichever is earlier from the date of invoice.
- Test Drive Manager / DSM to ensure availability of TD vehicles @ min 90% of the time (any vehicle can be in breakdown / maintenance / service for max

ANNEXURE – III A**Sales Satisfaction Index – TBSS Questionnaire and Script**

Good morning / Afternoon / Evening: Sir / Madam.

My name is ABCD. I am calling on behalf of TATA Motors. Am I speaking to Mr. _____

We understand from our system records that you have purchased a **New** TATA Commercial Vehicle MODEL XYZ

Ask Customer to verify Purchase details in our CRMDMS records : Dealer Name, Dealer City, CV Retail Sale Date

Sir/Madam, **Welcome to Tata motors family.**

This call is made to understand your valuable feedback on the **Sales Experience** May I have your few minutes for the Survey.

If Yes - Thank You Sir / Madam and start SSI Survey

If No – Thank customer and Record response as No.

Note : For CVBU SSI Calling, Please explain the below **10 point scale** to customer.

Rating	Satisfaction Level	Scale
➤ 10 – 9	➤ Very Satisfied	➤ 100%
➤ 8 - 7	➤ Satisfied	➤ 75%
➤ 6 – 5	➤ Neither	➤ 50%
➤ 4 - 3	➤ Dissatisfied	➤ 25%
➤ 2 - 1	➤ Very Dissatisfied	➤ 0%

- Based on the rating given on 10 point scale during the Telephonic survey, TBSS to capture the customer response against the particular customer Name, model, Chassis Number.

Questionnaire for CVBU SSI Calling

Q1. Based on your Overall **SALES** experience, How Satisfied are you with your TML CV Dealership?

Q2. Note to TBSS : Q2a. To be asked to SCV customers **only**.

Q2b. To be asked to LCV, IMHC & Bus customers **only**.

Only for SCV Customer:

Q2a. How satisfied are you with **overall Dealer Facility** of your TML CV Dealership? Did you find the dealership location easy to visit and the office was comfortable? **(Dealer Facility)**

Only for LCV, IM&HCV & Bus customers :

Frequently Asked Questions

Q1) We have received a scorecard wherein for one of the parameters target is mentioned as Zero than how is it possible that I have achievement percentage (%) equal to Zero?

Ans 1) In case the target for any parameter is zero automatically the achievement percentage will be considered Zero as per the CPSC process

Q2) Dealer team has identified some discrepancy in monthly scorecard. What is the way forward?

Ans 2) Please write a mail to CPSC - cpsc@tatamotors.com or respective State TML team to seek clarity on scoring methodology. Kindly ensure that you raise any request for changes in scorecard within 15 days of receiving scorecard.

Q3) How can I check data what is the target for the given month for each parameter considered under CPSC?

Ans 3) Please login to your CRM system and go to CPSC analytics link

Q4) How will the CV Pass Sales score calculation done?

Ans 4) It will be average of CV Pass (without buses) and CV Pass (Buses) as per the applicability of parameters. Under this for common par

Q5) How do you calculate Basic checklist score for Workshops?

Ans 7) We will take average score of all the applicable CPSC divisions

Q6) Certain divisions of my dealership are not covered under CPSC, How can I ensure that those are also added in CPSC evaluation?

Ans 6) To add or delete any division from CPSC please get in touch with the regional Strategic Network Management team member. Please remember CPSC evaluation can only be done for a 3S division.

Q7) I have added new division of my dealership under CPSC but currently I am not eligible for PSF calling. So will I get a full score or will I be given a Zero?

Ans 7) You will be given a Zero as it is a system oriented data and we only take the data as per the CRM PSF report. So whenever you add any new division ensure that all the LOBs are correctly mapped(as per applicability). Ensure PSF calling has started for After sales and Sales (You can get this information by dropping a mail to State Product Manager / State Service Manager).

Q8) What is Lube audit score?

Ans 8) CSM needs to find out (Consumption / Buying) % for Co-branded oil (for Rear Axle, Gear and Engine) and in case it is more than +/-5%. They should put the audit findings as NO (not as per compliance

Q9) Winger will be part of CV Pass (without Buses) or CV pass (Buses).

Ans9) Winger is part of ScPass LOB.
