## FAQ

Q1) we have received a scorecard wherein for one parameters target is mentioned as zero then how is it possible that I have achievement percentage(%) equal to zero?

Answer: In case the target for any parameter is zero, automatically the achievement percentage will be considered zero as per the CPSC process

Q2) Dealer Team has identified some Discrepancy in Monthly Scorecard. What is the way forward?

Answer: Please raise the issue on the CPSC portal and write an email to the respective State TML team to seek clarity on scoring methodology. Kindly ensure that you raise any request for changes in scorecard on the portal within 2 days of receiving Scorecard as no request will be entertained after this time.
